**FLUSH THE
RIGHT STUFF!**

Please DO NOT flush anything but toilet paper down your toilets. Even flushable wipes will clog the pipes and cause backed up sewers.

**Message from Southeast Minnesota
Toward Zero Deaths:**

Thousands of motorcyclists are out on Minnesota roads. Watch for them!

They're smaller and their speed and distance are more difficult to judge. Always look twice before entering a roadway or changing lanes. Give riders room and check blind spots. Both riders and drivers need to work together to share the road!
