

CITY OF DOGDE CENTER EXTREME DROUGHT NOTIFICATION

Restrictive Phase Notice

The City of Dodge Center is in a Restrictive Phase as notified by the Minnesota Department of Natural Resources (DNR) due to the extreme drought. Our area is not yet in a water use ban phase, however, Minnesota Statutes 103G.291, provides authorization for the following water conservation measures by all citizens and businesses until further notice:

Restrict and limit all non-essential outdoor water use:

- Lawn irrigation & park irrigation
- All water use from an outside hose bib faucet
- Vehicle washing

The City is asking that you voluntarily limit your water usage.

Additional water conservation tips can be found here:
